

ICU WPL

Selected Papers From Asian Junior Linguists Conference¹

2

Foreword

This is the second volume of ICU Working Papers in Linguistics (ICUWPL). It consists of two papers by plenary speakers and eight papers from the general session from the first Asian Junior Linguists (AJL) Conference, held at International Christian University in December 2-4, 2016.

We would like to thank the authors for taking their time to revise their manuscripts and for being patient with our editing process. Also, we thank Professors Tomoyuki Yoshida and Seunghun J. Lee for guiding us through the making of the second volume.
