Foreword

This is the ninth volume of International Christian University Working Papers in Linguistics (ICUWPL). This volume includes proceedings from the fourth Asian Junior Linguists Conference held from December 5, 2019 to December 6, 2019 at International Christian University. It contains two papers by plenary speakers and four papers from the general session.

We would like to thank the authors for taking their time to revise their manuscripts and for being patient with our editing process. We would also like to acknowledge and thank Professor Seunghun J. Lee for his support during the process of publishing this volume and ICU Linguistics and Keio University for sponsoring the event.

ICUWPL is sponsored by ICU Linguistics.
