## 2. Description

The database ICULD-0045 contains recordings of Swahili sentences from four speakers collected as part of Swahili Prosody Project. All recordings were made in Zanzibar, either with Audacity or with a digital recorder (Zoom H5) with a microphone (Shure WH-20). The database has 2421 individual tokens (items are often repeated 2 or 3 times).

**Notes:**

The examples from SWA2021-2377 to SWA2021-2421 were produced by speakers after being prompted to a context.

For example, 'No, Aisha bought only MANGOS.' (ID 2377) is the response to the question *Aisha alinunua ndizi na maembe? 'Did Aisha buy both bananas and mangos?'*, which was asked by the Swahili speaking experimenter. The participants were requested to speak each response with the prosody suitable to the contexts.
