

Foreword

This volume of International Christian University Working Paper in Linguistics (ICUWPL) includes a collection of academic papers presented at the 6th Asian Junior Linguists (AJL6) conference hosted by Sogang University and co-hosted by ICU Linguistics Lab. The event was held via Zoom on December 10-12 2021. The current volume contains one paper from the plenary session, 11 papers from the general session, and 4 papers from the poster sessions.

We would like to thank the plenary speakers Dr Yongsuk Yoo (Jeonbuk National University) and Dr Suyeon Yun (Chungnam National University), as well as the presenters of AJL6 for their participation in the event. We also would like to express our gratitude to the contributors of this volume for their patience and cooperation during the editing process. Lastly, we are grateful to Dr Michael Barrie and Dr Seunghun J. Lee for their support and guidance during the process of editing and compiling this volume.

ICUWPL is sponsored by ICU Linguistics.
