## 2. Description

The database ICULD-0044 contains recordings of Rwa words produced by one speaker in 2001 and 2002. All recordings were made on a DAT recorder. Files were resampled as 44.1 kHz with 16-bit. The database contains items that are produced twice each: altogether 3001 tokens are available in this database.

## 5. Notes

- The spelling column represents the romanized rendition of the Rwa Phrases.
- The Swahili and English columns are the translations for the Rwa phrases.
- The two tables are for the 2001 and 2002 data, respectively
